

Quotation Request Documentation

A complete guide to creating and submitting a request for quotation in the ESYS WPC system.

Step 1 – Go to the Quotation Request Page

Click the “Quotation Request” menu on the main navbar, then select “*Create New Quotation*” to start sending a new quotation.

The screenshot shows the WPC Logistics website interface. The top navigation bar is blue with the WPC logo and tagline "Driven by Reliability. Fast. Sure. On Time." on the left, and links for "Support", "Latest Information", and "Language" on the right. Below this is a secondary navigation bar with icons and labels for "Home", "Quotation Request" (highlighted in green), "Network", "Schedule", "Documentation", and "Back to Main Page". The main content area features a "Quotation Form" tab and a "Tracking" search bar. A progress indicator shows three steps: "1 Personal Information" (active), "2 Cargo Details", and "3 Route". The "Personal Information" section includes a "Who are you?" dropdown menu, a "Phone" field with a "Select type" dropdown and "Enter phone number" input, an "Email" field with a "Select type" dropdown and "Enter email address" input, a "Country" dropdown menu, and a "State" dropdown menu. A blue "Next" button with a right arrow is located at the bottom right of the form.

Step 2 – complete your personal data (personal information)

you will see a page to fill in your personal/company data such as "company name or your name, phone number, email, country, and state"

Step 4 – complete Route Details

on the next page you will see a page to fill in route details such as "Origin, Destination" after everything is filled in, don't forget to verify by pressing and sliding the verification button and finally press the "Submit Quotation Request" button to send your quotation request.

The screenshot shows a web interface for a shipping quotation form. At the top, there are two tabs: "Quotation Form" (active) and "Tracking". Below the tabs is a progress bar with three steps: 1. Personal Information, 2. Cargo Details, and 3. Route. The "Route" step is currently active. The form contains two rows of fields. The first row has "Transportation Method" (dropdown menu with "Ocean" selected) and "Origin" (dropdown menu with "TANJUNG PRIOK (Indonesia)" selected). The second row has "Transportation Method" (dropdown menu with "Ocean" selected) and "Destination" (dropdown menu with "TANJUNG PRIOK (Indonesia)" selected). Below these fields is a green button labeled "Verification Successful" with a checkmark icon. At the bottom left is a "Back" button, and at the bottom right is a "Submit Request" button.

Step 5 – wait for confirmation from WPC

after you press the "Submit Quotation Request" button you just need to wait for confirmation from WPC via the email or phone number you registered previously. within 24 hours we will confirm and send the best price offer for your shipment.
